### Contact them 24 hours a day, 7 days a week

The Aetna International Member Service Centre is available 24 hours a day, 7 days a week and 365 days a year. They can assist with:

- Locating quality health care around the world
- Answering questions regarding claims, benefit levels and coverage
- Processing claims in virtually any language
- Coordinating reimbursement, offering options in over 80 currencies and payments through electronic reimbursement directly to bank accounts
- Questions about your BahamaHealth Coverage
- If you need a referral to a specialist
- Information on participating BahamaHealth providers

To reach a Care Advocate at any time, call one of the following numbers:

#### NASSAU

#### Phone

242-396-1303-6

#### FROM THE FAMILY ISLANDS

#### Phone

242-300-2458 (toll free)

242-300-3627

Call the overseas toll free numbers after hours, weekends and holidays.

## LOCAL PROVIDER NETWORK

February 2012

### Have you heard?

Things are **changing** at BahamaHealth.

We have enhanced our overseas provider network, teaming with **Aetna** to provide our members with easy access to a network of more than one million health care professionals.

To learn more about this exciting partnership, call or visit BahamaHealth at the Family Guardian Financial Centre located on East Bay and Church Streets, or contact a Family Guardian sales representative today.

### BahamaHealth and **Aetna**.

## CARE ADVOCATES

### ABOUT OUR CARE ADVOCATES

#### Who are the Care Advocates?

The CareAdvocates are customer service professionals trained in medical triage, BahamaHealth benefits & procedures as well as, customer service. If you have a question, need health care guidance, or are confused with where to go for health care the BahamaHealth Care Advocates can help make it simple for you.

#### Care Advocates are Always Available to Assist You!

Call the Care Advocates for assistance and pre-certification before you use any of the following services:

- Hospital Admission
- Care Overseas
- Surgery
- Diagnostic Procedures, such as MRI or Allergy Testing
- Durable Medical Equipment
- Air Ambulance or Air Transportation
- Chiropractic, Physical, Occupational, or Speech Therapy
- Home Health Care
- Private Duty Nursing

They can also assist you with:

- Questions about your BahamaHealth Coverage
- If you need a referral to a specialist
- Information on participating BahamaHealth providers

*Yes!*

Care Advocates  
are available  
**24 hours/day,**  
**7 days/week.**

## MANAGEMENT

### COST CONTAINMENT INITIATIVES

#### Case Management

**Goal:** Our goal of Case Management is to improve the overall patient management, efficiently and effectively to promote quality, cost-effective outcomes.

**Objectives:** The objectives of Case Management are to evaluate the medical necessity, quality and effectiveness of the proposed plan of care of members by seeking to improve processes through coordinated, intergrated efforts of all members of the members' health care team.

#### Utilization Management "Avoid unnecessary charges."

Verification of benefits is confirmation that you or your dependents are enrolled in the health plan at the time of service, and that you qualify for the services requested.

Verification confirms eligibility.

Precertification is the approval, in advance by the Company, BahamaHealth or the designee, for 'Medically Necessary' and 'Covered Services', subject to Eligible charges.

An example of a services requiring pre-certification is MRI Studies.

*Yes!*

Care Advocates are available 24 hours/day, 7 days/week.

## CLAIMS

### MEDICAL CLAIMS SUBMISSION

You will not have to complete a claim form if the provider or facility is in the Network. One of the great benefits of using the network, is that there are no forms to complete since the provider and facility is responsible for completing the form and submitting it directly to BahamaHealth.

A claim form will have to be completed if the provider or facility is not in the Network, or if you are paying for services in full to a Network Provider. In this case, a FULLY completed claim form will have to be submitted to BahamaHealth. If the provider or facility is not using the standard claim form, please ensure that the following key pieces of information are noted on the form being used: **Name of Patient, Date(s) of Service, Type of Service(s), Diagnosis and Procedure Codes, Amount Paid for the Service, and the Total Charge for the Service**

Only original claim documents will be accepted for processing. Claim forms should be completed either by the physician or the institution. Simply completing the patient information yourself and then attaching a receipt or walk out statement, rarely provides us with sufficient information with which to process the claim.

If corrections are made to the form, they should be crossed out and initialed. **Under no circumstances should Liquid Paper be used on the form.**

**All claims must be submitted within six (6) months from the date the service was rendered.**

Claims submitted outside of this time frame will be denied for timely filing. A good practice would be to submit your claims as they are incurred.

*Yes!*

Care Advocates are available 24 hours/day, 7 days/week.
